MEMORANDUM TO: MR. BISSELL

25X1

1. Reference your memorandum of 27 July with enclosed training schedule from Watertown, I have prepared a message asking [Redacted] to comment on a proposed USCM date for Detachment C of the 3rd and 4th week in August with overseas deployment some time before 15 November.

2. If these suggested dates are acceptable at Watertown, I suggest that we publish these as tentative dates for the guidance of all concerned.

3. With the experience of training Detachments A and B behind us, baring no unforeseen difficulties, Detachment C should certainly have no trouble making these dates good operations-wise.
